

Go Outside

Lily Pad Leap

What you need:

Stack of newspaper

How To Play

Find an open area outside. Set out various news papers folded into squares and tell kids they are the Lily Pads! One person is "IT" while the others run around until "IT" shouts "Here comes the hungry fish!"

Then they have to jump on a lily pad or ice berg to be safe. When "IT" says "no food here I guess" the kids know it's safe to come off , then take away one of the newspapers, keep doing it until you are down to the last news paper.

Any frog that gets caught not on a lily pad or falls off the safe spot has to help you catch the others.
